## cheri Font

Cheri is one of our all time favourite fonts, we loved it so much we made it our logo!

It's a super playful font and looks great in bright colours or coloured in black for a punchy header.

## A guide for your holes!

Each of our font stencils has a row of extra holes at the bottom which make up the middles of your letters. We have created a guide for this above!

## OOPS a Daisy!

The original Cheri font only has one case which is a mixture of upper and lower case letters.

To create the stencils we had to design some extra letters including an upper case H and E!
