Boogie Woogie!

This font is reminiscent of the 1960s and this stencil will help you create lettering with a funky, retro vibe!

The Holes!

Each of our font stencils has a row of extra holes at the bottom which make up the middles of your letters. We have created a guide for this above!

Hole Placement

The placement of the holes is important with this font to create that retro look. Place them slightly above the centre of the letter.
