About our Font Stencils

Our font stencils are designed to make quick work of adding creative hand lettering to your journal spreads or other craft projects.

A guide for your holes!

Each of our font stencils has a row of extra holes at the bottom which make up the middles of your letters. We have created a guide for this above!

The BOOK noir font

Book Noir is a theme for those who have a hankering for the darker side of fiction... A dark and moody font that could have sprung from the typewriter of any crime writer!
