## Love BuJo

This adorable handwritten style makes the perfect addition to your journal... Have you tried our XL version?!

## The Holes...

Each of our font stencils has a row of extra holes at the bottom which make up the middles of your letters. We have created a guide for this above!

## Will you join it up?

One of the reasons we LOVE this font is how versatile it is. The upper case is fantastic as a print style font, but when you include the lower case it also works great as a cursive style.
