Skinny Font

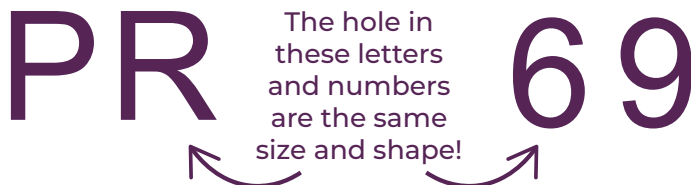

The Skinny Font is based on an absolute classic "Arial". Designed in 1982, it is known for its sleek simplicity and being easy to read!

The Holes...

Each of our font stencils has a row of extra holes at the bottom which make up the middles of your letters. We have created a guide for this above!

Double Trouble!

You may notice that there are not enough holes for the letters... That's because two of our shapes are playing double duty!
