Chicken Scratch

The perfect playful springtime font!

If Chickolas were to write you a letter, this is what it would look like!

Psst... If you love Chickolas you'll find him in our Spring Friends pocket stencil set!

No Holes!

You will normally find a row of extra holes at the bottom of our stencils, which make up the middles of your letters.

There is no need for those with Chicken Scratch as the scratchy style means the holes are built right in!
