Hobo

This Art Nouveau-inspired font was first created in 1910 and is unusual for having virtually no straight lines.

The Holes!

Each of our font stencils has a row of extra holes at the bottom which make up the middles of your letters. We have created a guide for this above!

Three Font Facts!

1. Hobo was used as the main typeface in the title sequence and promotional materials of the 1969 film Butch Cassidy and the Sundance Kid.
2. Hobo was used as the opening and ending credits of the popular television show That '70s Show.
3. Hobo was used in the opening titles of The Dukes of Hazzard.
