Font Stencil Collection

Hygge

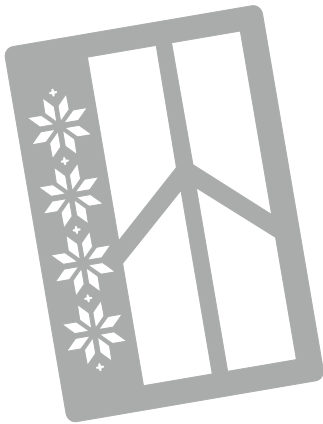

Our playful handwritten “Skandi” inspired font is perfect for any self-care spread.

The Holes!

Each of our font stencils has a row of extra holes (or in this case three) which make up the middles of your letters. We have created a guide for this above!

What is Hygge?!

Pronounced "hoo-ga," this Danish concept cannot be translated to one single word but encompasses a feeling of cozy contentment and well-being.
