About our Font Stencils

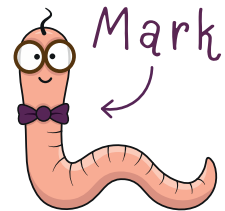

Our font stencils are designed to make quick work of adding creative hand lettering to your journal spreads or other craft projects.

A guide for your holes

Each of our font stencils has a row of extra holes at the bottom which make up the middles of your letters. We have created a guide for this above!

The Bookworm Font

When we were choosing a font to co-ordinate with our bookworm range we wanted something that looked like it could have been hand written by Mark!
